CINEMA

LES TONTONS FLINGUEURS

DIRECTED BY GEORGES LAUTNER, 1963.
With Lino Ventura, Bernard Blier, Claude Rich
With English Subtitles, 112 minutes
Genre: Comedy film

On his deathbed, the Mexican persuades his childhood friend Fernand Naudin to look after his interests and protect his daughter Patricia. Fernand soon finds that he is now the head of a number of decidedly shady "business" activities, which the Mexican's former employees (including the Volfonis) would just love to get their hands on. Despite their efforts, aided by a strange notary and a trigger happy bodyguard, Fernand succeeds in imposing his authority on this unruly bunch. Unfortunately, the beautiful Patricia has a few surprises in store for him!

CINEMA

AGENTS SECRETS

DIRECTED BY FR ÉDÉRIC SCHOENDOERFFER, 2003.
With Vincent Cassel, Monica Bellucci
With English Subtitles, 108 minutes
Genre: Police drama

A group of four secret agents is given the task of sabotaging a ship which is calling in to port at Casablanca. The aim of the mission is to intimidate a Russian businessman into stopping a delivery of arms which is about to leave for Africa. The agents go into action in pairs: the first group must place explosives on the bottom of the ship's hull while the other coordinates the operation from a luxury hotel in Casablanca. Everything goes to plan. However, in actual fact, the mission has a totally different purpose and events take a dramatic turn when one of the four agents who have returned from the mission, Lisa, is arrested by customs officers for drug trafficking...

TV MOVIES

LE TEMPS DES SECRETS, LE TEMPS DES AMOURS

With Pierre-François Martin-Laval, Armelie Deutsch
With English Subtitles, Genre: drama
Based on the autobiographical series of novels by
Marcel Pagnol, *Souvenirs d'enfance*

Next autumn, Marcel will start his studies at Thiers high school in Marseille. He is starting his last summer holidays in the hills of Provence with his friend Lili, the son of peasants, who knows these hills like the back of his hand. However, Marcel will have to study during his holidays, because his father, holds scholarly duty in high regard. The 11-year-old boy is also entering adolescence, the years of first love; he meets Isabelle, whom he saves from spiders and snakes. It is a time for abandoning childhood illusions and opening one's eyes to the world of adults, full of shortcomings and secrets...
