

ONLINE COURSES:

What do I need in preparation for my online course?

1) AFTER ENROLMENT

Please ensure you have:

- Accepted your teacher's invitation to join the Apolearn platform
- Clicked through to the platform and explore the dashboard
- Interacted with fellow students with a 'bonjour!' on the class chat

For your guide on how to use Apolearn [CLICK HERE](#) or watch the Tutorial [HERE](#).

2) FIFTEEN MINUTES BEFORE YOUR CLASS

Just before your class, please be mindful that you have all the necessary tools that you will need to begin on time.

Please verify:

- Your computer or laptop is switched on and/ or your tablet or smartphone has enough battery / is connected to a power source
- Check your sound settings are on - during the session, if your surrounding environment is noisy, you may
- mute your microphone and unmute when you would like to speak
- You have a Chrome browser open
- You have headphones on hand
- Your camera is switched on (should you feel comfortable)
- You have your books with you
- You have opened your French keyboard
