	Meetings held whilst a Director	Number attended
François Romanet, President	9	9
Hannah Cooper, Vice President	9	8
Patrick Cocquerel, Honorary Treasurer	9	9
Lyn Tuit, Former President (resigned 5 June 2024)	4	4
Gareth Dando Former Honorary Treasurer (resigned 5 June 2024)	4	3
Mr Anthony Kierann	9	9
Dominique Barbeau	9	9
Amaury Treguer	9	8
Isabelle Toland	9	5
Alison Woolsey (appointed 05/06/2024)	5	5
Jeanne Ryckmans (appointed 27/08/2024)	3	2

### 4 - The Entity

The entity is incorporated under the *Corporations Act 2001* and is an entity limited by guarantee. If the entity is wound up, the constitution of the entity states that each member is required to contribute a maximum of \$10.00 (Ten Australian Dollars) each towards meeting any outstanding obligations of the entity. At 31 December 2024, the number of members of the Company is and the total amount that members are liable to contribute if the entity is wound up is \$13,110 (2023: \$5,930).

### 5 - Principal activities

The principal activities of the entity during the financial year were to provide French tuition, in classes or individually, and to organise cultural events via its subsidiary Alliance Francaise de Sydney Cultural Foundation (ABN 14630718937) which is controlled 100% by Alliance Francaise de Sydney (ABN 23151008606) to enhance the knowledge of the French language and culture for the Australian public in the Sydney Metropolitan Area.

The Group's operations will continue to advance these activities.

### 6 - The entity's short-term and medium-term objectives

The Board and management of the Alliance is now focused on the twin objectives of returning both our language school and the Alliance Francaise French Film Festival to pre-Covid levels of activity.

## DIRECTORS REPORT

### 7 - Strategies adopted to achieve objectives

To achieve the objectives described above, the entity has adopted the following strategies:

- Continue to build on our success in driving loyalty and re-enrolment of our existing students.
- Offer consistent in-person and online options concurrently, providing greater flexibility and a broader range of learning opportunities for all our students.
- Maintain a high occupancy rate for our classes, while ensuring the highest pedagogical standards both online and in person.
- Increase marketing efforts with a targeted focus on key social media platforms—Instagram, Facebook, and LinkedIn—through digital campaigns aligned with our marketing plan to drive new student enrolments.
- Develop partnerships with organisations that share our values, fostering the 'Team France' spirit and enhancing opportunities for cross-promotion and joint cultural initiatives.
- Continue to work closely with key stakeholders including, but not limited to, the NSW Department of Education, the Association of Independent Schools and the NSW Association of French Teachers (N.A.F.T.).
- Explore additional revenue streams to lessen reliance on education and the Alliance Francaise French Film Festival.
- Enhance the quality and variety of activities to attract larger festival audiences, in collaboration with festival stakeholders, while expanding our presence in the Greater Sydney and launching the new Soirée Team France.
- Increase the use of sophisticated digital marketing approaches to boost audience engagement around the Festival.

### 8 - Additional disclosures

- The net surplus of the Consolidated Group for the financial year ended 31 December 2024 was \$20,131 - (2023: deficit of \$13,355). The net result for the year excluding depreciation expense of \$239,908 (2023: \$246,625) was a surplus of \$259,439 (2023: \$233,270).
- The Company was able to deploy a grant from the NSW Government (Screen NSW) received in 2024 for the Alliance Francaise French Film Festival in 2024.
- No matter or circumstances have arisen since 31 December 2024 that has significantly affected, or may subsequently affect:
  - a) The operations of the Consolidated Group in future financial years, or
  - b) The results of those operations in future financial years, or
  - c) The state of affairs of the Consolidated Group in future financial years.
- The Consolidated Group is not subject to any significant environmental regulation.

## DIRECTORS REPORT

### 9 - Subsequent events

There are no subsequent events to be disclosed.

A copy of the lead Auditor's Independence Declaration as required under section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) is attached to this Directors' report.

Signed in accordance with a resolution of the Directors.

**(A Company Limited by Guarantee)**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER, 2024**

**NOTE 1 - STATEMENT OF MATERIAL ACCOUNTING POLICIES**

**Basis of Preparation**

Alliance Francaise de Sydney has applied Australian Accounting Standards AASB1060: General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier2 Entities.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures of the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act). The company and group are not-for-profit entities for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on the historical cost convention. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue by the Directors on 30 April 2025.

**Principles of Consolidation**

The consolidated financial statements incorporate all of the assets, liabilities and results of the parent entity, Alliance Francaise de Sydney and its subsidiary Alliance Francaise de Sydney Cultural Foundation. The parent entity controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns via its power over the entity.

The assets, liabilities and results of all subsidiaries are fully consolidated into the financial statements of the Group from the date on which the control is obtained by the Group. The consolidation of a subsidiary is discontinued from the date that control ceases. Intercompany transactions and balances between Group entities are fully eliminated on consolidation. Accounting policies are adjusted for subsidiaries and adjustments made if necessary to ensure uniformity of accounting policies adopted by the Group.

**Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of taxes paid. Revenue is recognised for the major business activities as follows:

*Tuition Fees*

Revenue is recognised upon the performance of tuition to students.

*Other Revenue*

Other revenue is recognised when the right to receive the revenue has been established or if there are conditions or obligations in place in respect of the contract income which is recognised when or as the Group satisfies any obligations.

*Operating Grants, Donations and Bequests*

When the Group receives operating grant revenue, donations or bequests, it assesses whether a contract is enforceable and has sufficient specific performance obligations in accordance with AASB 15. When both these conditions are satisfied the Group identifies each performance obligation, recognises a contract liability for its obligations under the agreement and recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations the Group recognises income immediately in profit and loss as the difference between the initial carrying amount of the asset and the related amount.

**ALLIANCE FRANCAISE DE SYDNEY**  
**A.C.N. 000 783 139**  
**(A Company Limited by Guarantee)**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER, 2024**

**NOTE 1 - STATEMENT OF MATERIAL ACCOUNTING POLICIES - CONTINUED**

**Inventories**

Stock is valued at the lower of cost and net realisable value.

**Impairment of assets**

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the fair value of an asset less costs to sell and its value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units).

**Cash and cash equivalents**

Cash and cash equivalents includes cash on hand and cash held with financial institutions with short-term maturities and are subject to an insignificant risk of changes in value and bank overdrafts.

**Trade receivables**

Trade receivables are recognised at fair value less provision for doubtful debts. Trade receivables are due for settlement no more than 30 days from the date of invoice.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful receivables is established when there is objective evidence that the Group will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the carrying amount of the asset and the total of estimated future cash flows. The amount of the provision is recognised in the statement of comprehensive income.

Trade receivables are reviewed for the lifetime expected credit loss when assessing any provision for doubtful debts.

**Property, plant & equipment**

Property, plant and equipment is stated at historical cost less accumulated depreciation and any impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount of assets. If the carrying amount of property, plant and equipment is greater than its estimated recoverable amount, the carrying value is written down immediately to its estimated recoverable amount and impairment losses are recognised in profit and loss.

The Group charges depreciation at rates that have been calculated to write off assets over their useful lives.

The depreciation rates used for each class of depreciable assets are: -

Strata Title Premises	2.50%
Strata Fit-out	5 - 10.00%
Building Improvements	10.00%
Office Machines	12 - 14.00%
Furniture, Fittings and Teaching Equipment	9 - 30.00%

The Directors are satisfied that in the event of disposal of the group's real estate in the normal course of business, the net amount expected to be recovered would not be less than present carrying value shown in the financial statements.

**(A Company Limited by Guarantee)**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER, 2024**

**NOTE 1 - STATEMENT OF MATERIAL ACCOUNTING POLICIES - CONTINUED**

**Financial instruments**

**Initial recognition and measurement**

Financial assets and financial liabilities are recognised when the entity becomes party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Group commits itself to either purchase or sell the asset (trade date accounting is adopted).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately.

Trade receivables are initially measured at transaction price if the trade receivables do not contain significant financing components.

**Classification and subsequent measurement**

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between the initial amount and the maturity amount calculated using the effective interest method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of an income or expense item in profit or loss.

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

**Impairment**

The Group adopts the simple approach under AASB 9 in relation to trade receivables, as the loss allowance is measured at the lifetime expected credit loss.

AASB 9 also determines that a loss allowance for expected credit loss be recognised on debt investments subsequently measured at amortised cost or at fair value through other comprehensive income, lease receivables, contract assets, loan commitments and financial guarantee contracts as the impairment provision would apply to them.

If the credit risk on a financial instrument did not show significant change since initial recognition, an expected credit loss amount equal to the 12 month expected credit loss is used. However, a loss allowance is recognised at an amount equal to the lifetime expected credit loss if the credit risk on that financial instrument has increased significantly since initial recognition, or if the instrument is an acquired credit-impaired financial asset.

**ALLIANCE FRANCAISE DE SYDNEY**  
**A.C.N. 000 783 139**  
**(A Company Limited by Guarantee)**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER, 2024**

**NOTE 1 - STATEMENT OF MATERIAL ACCOUNTING POLICIES - CONTINUED**

**Derecognition**

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability, which is extinguished or transferred to another party, and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**Leases**

At inception of a contract, the Group assesses if the contract contains or is a lease. If a lease is present, a right-of-use asset and a corresponding lease liability is recognised by the Group where the entity is a lessee. These leases are measured at their net present values and include future lease payments under an option where that option is reasonably expected to be taken up. The leases are amortised on a straight-line basis over the term of the lease. However all contracts that are classified as short-term leases (less than 12 months) and leases of low value assets are recognised as operating expenses over the term of the lease.

**Trade and other payables**

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year and other amounts which are unpaid. The amounts are unsecured.

**Borrowings**

Borrowings are recognised at fair value, net of transaction costs incurred.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

**Borrowing costs**

Borrowing costs are expensed through the statement of comprehensive income.

**Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**Income Tax**

No provision has been made in the Financial Statements for income tax as the Group is exempt from income tax

**Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Revenues and payables are stated inclusive of the amount of GST. The net amount of GST recoverable from or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

**ALLIANCE FRANCAISE DE SYDNEY**  
**A.C.N. 000 783 139**  
**(A Company Limited by Guarantee)**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER, 2024**

**NOTE 1 - STATEMENT OF MATERIAL ACCOUNTING POLICIES - CONTINUED**

**Employee Benefits**

**(i) Short-term employee benefits**

Provision is made for the Group's obligation for short-term employee benefits. Short-term employee benefits are benefits that are expected to be settled wholly before 12 months after the end of the reporting period. Short-term employee benefits are measured at the undiscounted amounts expected to be paid when the obligation is settled. The Group's obligations for short-term benefits which constitute annual leave are recognised as part of current trade and other payables in the statement of financial position.

**(ii) Long-term employee benefits**

The Group classifies employees' long service leave as other long-term benefits as these entitlements have not yet vested in relation to those employees who have not yet completed the required period of service. These benefits are shown as non-current liabilities in the statement of financial position.

The amount expected to be paid to employees for their pro-rata entitlement to long service leave has been measured at the present value of expected future payments to be made to employees. This incorporates anticipated future wage levels, duration of service and historical information in regarding the probability of leave being taken.

**(iii) Retirement benefit obligations**

The Group pays the fixed superannuation guarantee contribution (currently 10% of the employee's ordinary earnings) to the employee's superannuation fund of choice. All contributions paid by the Group on behalf of employees are recognised as an expense when they become payable. All obligations for unpaid superannuation contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are shown as current liabilities in the statement of financial position.

**Comparative Figures**

Comparative figures are, where appropriate, reclassified so as to be comparable with figures in the current year.

**Critical accounting estimates and judgements**

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume reasonable expectation of future events and are based on current trends and economic data, obtained both internally and within the Group.

**New and amended accounting standards**

There are no significant changes relating to new accounting standards for the consolidated financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**

**ALLIANCE FRANCAISE DE SYDNEY**  
**A.C.N. 000 783 139**  
**(A Company Limited by Guarantee)**

**Opinion**

We have audited the financial report of Alliance Francaise de Sydney and its controlled entity (the Group), which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors declaration.

In our opinion, the financial report of the Group has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- (a) giving a true and fair view of the Group's financial position as at 31 December, 2024 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - AASB1060: General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities and the Australian Charities and Not-for-profits Commission Regulation 2022.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Group in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information Other than the Financial Report and Auditor's Report Thereon**

The directors are responsible for the other information. The other information comprises the information included in the Group annual report for the year ended 31 December 2024, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Directors for the Financial Report**

The directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

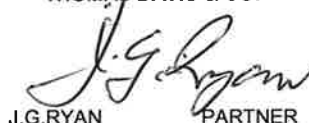

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
